## The 2nd Annual Middle East & North Africa **Spectrum Management Conference** 28 August 2015 / Hotel la tour Hassan . Rabat . Morocco

### About the Event

Taking place with the support of The Arab Spectrum Management Group (ASMG) and co-located with the upcoming ASMG meeting in Rabat, the Middle East and North Africa Spectrum Management Conference offers an unrivalled opportunity to join the top experts from across MENA and beyond for discussions on all the key spectrum management issues for the region in an interactive environment.

Now in its 2nd year, it is already becoming established as a major meeting point for stakeholders from the MENA and global spectrum communities for an interactive discussion on the key issues surrounding spectrum management policy in the region. And along with the other regional spectrum conferences that form the Global Spectrum Series ([www.spectrum-series.com](http://www.spectrum-series.com)), this does not simply offer a stand alone, one off marketing opportunity, but provides the chance to become involved on a regular basis in a pivotal and talked about industry event.

Should you be interested in also exploring involvement in our Spectrum Management Conferences in any of the following regions, then please contact us and we would be delighted to put a package together.
