The 13th Annual European Financial Services Conference

A new direction for Financial Services

26th March 2015 / ING Auditorium . Brussels

About the European Financial Services Conference

Now in its 13th consecutive year, The European Financial Services Conference is held annually and is the major event in the Brussels calendar on financial services.

Each year, the event brings together more than 400 senior international participants to debate issues affecting European and global financial markets, and over the years we have welcomed as speakers numerous Ministers, company CEOs, national bankers and regulators both from within the EU and around the world.

Entitled "A new direction for Financial Services", discussions at the 2015 edition are expected to focus on whether the Banking Union will work for Europe going forward; what Capital Markets Union means; and strengthened corporate governance to underpin global financial stability.

Sponsorship of the European Financial Services Conference

Annual events such as this are not simply stand alone, one-off marketing opportunities. Over time, they develop a brand of their own and a reputation for quality which adds value for all organisations that are associated with it. The European Financial Services Conference offers sponsoring organisations the opportunity to become involved on a regular basis in a pivotal and talked about industry event.

There are a number of different ways in which you will benefit from taking out a sponsorship package at the 13th Annual European Financial Services Conference. Simply having your name and brand associated with a high-level event such as this can be extremely valuable and it provides a great opportunity to raise your profile within the industry and with high level policy and decision makers. Perhaps most importantly however, it also enables your company representatives and guests to gain access to the exclusive VIP sessions that are invitation only and take place alongside the main event.

There are two separate sponsorship packages available for the event, designed to offer optimum exposure for the budgets that are available. Details of these can be found on the following pages. For more information on the packages and to discuss your sponsorship requirements, please contact **Charlene Selmer** on charlene.selmer@forum-europe.com or call +44 (0) 2920 783 024.

Some of the numerous organisations that have benefited from their association with this event in past years include:

Ansaldo, Assicurazioni Generali, Atos Origin, Banca Monte dei Paschi di Siena, Blackrock, BNP Paribas Fortis, Borsa Italiana, CC&G / Monte Titoli, Citi, City of London Corporation, Cleary Gottlieb, CME Group, Deutsche Börse Group, DLA Piper, Engineering, eni, Euroclear, European Association of Listed Companies, European Banking Federation, Finmeccanica, Forum of European Asset Managers, Grandi Lavori Fincosit, Indesit Company, ING, International Capital Market Association, Intesa Sanpaolo, Investment Management Association, Italcementi Group, IW Bank, KPMG, London Stock Exchange Group plc, Managed Funds Association, Moody's Investor Service, Multipartner, Poste Italiane, Poste Vita, PricewaterhouseCoopers, Securities Industry Association, Standard Life, Tesi, TLX and Unicredit Group.
