The 5th Annual European E-Commerce Conference 2013 Assessing the progress towards a Digital Single Market in Europe

15th October 2013 / Renaissance Hotel . Brussels

About the Conference

The Single Market Act II, adopted by the European Commission in October 2012, included the realisation of the Digital Single Market for Europe as one of four fundamental drivers for a more competitive and prosperous Europe. This was supported by a Communication on e-commerce and online services, and earlier this year (2013), the Commission published a "State of Play" regarding the E-Commerce Action Plan 2012-2015.

Hosted by EDiMA, EMOTA and the European Commission with Forum Europe and taking place as part of Single Market Month, this conference will assess the progress made thus far in tackling the barriers to greater cross-border electronic commerce and will be a significant stock-taking opportunity as we move towards the new European Commission and Parliament period in 2014.

Further details on the programme will be made available as we move forward however should you wish to discuss this or the sponsorship and partnership options available, please do not hesitate to contact James Wilmott on +44 (0) 2920 783 022 or email james.wilmott@forum-europe.com.

Sponsorship of the Conference

Annual events such as this are not simply stand alone, one-off marketing opportunities. Over time, they develop a brand of their own and a reputation for quality which adds value for all organisations that are associated with it. The conference offers sponsoring organisations the opportunity to become involved on a regular basis in a pivotal and talked about policy and industry event.

There are a number of different ways in which you will benefit from taking out a sponsorship package at the conference. Simply having your name and brand associated with a high-level event such as this can be extremely valuable and it provides a great opportunity to raise your profile within the industry and with high level policy and decision makers.

There are two separate sponsorship packages available for the event, designed to offer optimum exposure for the budgets that are available. Details of these can be found on the following pages. For more information on the packages and to discuss your sponsorship requirements, please contact James Wilmott at james.wilmott@forum-europe.com or call +44 (0)2920 783 022.
