Event Hosts

30 November 2016

Dear Sir/Madam

We are pleased to invite you to participate in the **3rd Annual Middle East and North Africa Spectrum Management Conference**. Organised by Forum Global, ASMG and ITU, and hosted by TRA UAE, the event will take place in **Dubai, January 24 - 25 2017**.

The event is taking place as part of the Global Spectrum Series, the world's largest collection of regional spectrum events. It will provide a high level meeting point for stakeholders across the Middle East, North Africa and beyond to discuss topic issues relating to the management and coordination of spectrum policy across the region.

The conference will include sessions on the following topics:

- Spectrum management in the Arab region – An overview of the decision making process
- Paving the way for the 5G revolution in the Arab world
- Meeting the long term spectrum requirements for the IoT age
- Best practices in setting pricing and licencing conditions
- Spectrum sharing – Examining the promise and the reality
- Spectrum for critical communications and PPDR

For more information on the conference, including practical information, the agenda, confirmed speakers, and online registration, please visit www.mena-spectrum.com

The conference will be followed, on January 26th, by a workshop organised by the ITU Arab Regional office, in cooperation with the TRA, on the topic of **Cross Border Frequency Management in the Arab Region**. More information on the workshop can be found [here](#).

In order to facilitate the participation of delegates from across the region there will be a number of fellowships available to cover the travel and accommodation costs of those from eligible countries. This will cover both the the conference and workshop. For details on eligibility and in order to apply for a Fellowship, please use the form [here](#) and return it to ITU no later than January 5th.

Should you require any further information please contact Lula Howard, Event Manager, Forum Global (lula.howard@forum-global.com / 44 (0) 2920 783 026)

We look forward to you joining us and providing a valuable contribution to what promises to be another highly interesting and stimulating event.

Yours sincerely,

Lula Howard
