The 15th European Spectrum Management Conference

23-24 JUNE 2020 | Brussels, Belgium

Our flagship Spectrum Series event will mark its 15th edition in 2020. The European Spectrum Management Conference is the leading annual platform for discussions for spectrum experts in the region. We'll be welcoming over 300 delegates to discuss the post-WRC landscape, the emerging mmWave ecosystem, tackling connectivity 'not-spots', the future of spectrum sharing, spectrum pricing for 5G awards and much more.

The 6th Asia-Pacific Spectrum Management Conference

2-3 SEPTEMBER 2020 | Jakarta, Indonesia

The 6th edition of the Asia-Pacific Spectrum Management is set to be hosted by The Ministry of Communication and Information Technology of Indonesia. The conference annually brings together over 300 of the most respected spectrum policymakers, industry experts and thought leaders from the region. We'll be discussing WRC, 5G rollout, key spectrum bands (in low, mid and high ranges), spectrum licensing and national roadmaps, rural connectivity, spectrum for verticals and much more.
