**DAY 2 – Friday, 18 November**

08.30 Welcome coffee break

09.00 Opening remarks

09.05 Keynote: Delivering a global baseline of sustainability disclosures for capital markets

**Emmanuel Faber**, Chair of the International Sustainability Standard Boards (ISSB)

09.35 Panel: Alternative investment: where are we heading?

*This panel will focus on the role of alternative investment in financing the economy of tomorrow. Panelists will consider how alternative funds, such as private debt funds and ELTIFs, can provide much needed capital to fuel the green and digital transition, while reflecting on how we can ensure the continued resilience of our sector. The panel will touch upon how the AIFMD and ELTIF reviews can help to achieve the goals of the CMU and ultimately support a stronger Europe going forward.*

**Moderator: Stuart Corrigall**, Managing Director, Blackrock

**Alain Deckers**, DG FISMA, European Commission

**Jessica Reyes**, Head of Asset Management Policy, AMF

**Edouard Chatenoud**, Member of the Group Management, Tikehau Investment Management, Benelux

**Markus Pimpl**, Managing Director, Partners Group

10.35 Coffee break

11.00 Keynote: Supervisory priorities and challenges for Investment Managers

**Natasha Cazenave**, Executive Director, ESMA

11.30 Panel: Being responsible stewards in times of change: the key to unlocking the power of investors?

*The panel will discuss the role of asset managers as stewards of the companies in which they invest and their ability to improve the investee companies', economic, environmental, social and governance performance.*

*In times of unprecedented environmental and societal change, asset managers are faced with ever-increasing investors' expectations going beyond mere financial returns. Large coalitions of asset owners and managers are being built, shareholder activism is on the rise, regulatory expectations are evolving and period engagement reports are being produced. The panel will*

17-18 November 2022 | BNP Paribas Fortis Auditorium, Brussels

*debate how regulations have influenced stewardship initiatives, the effectiveness of these initiatives, how the role of asset managers can be further leveraged to drive change at investee companies and whether the views and expectations of the end investors are sufficiently taken into account particularly if invested in a pooled fund.*

**Moderator: Hanzel Fadrilan**, Compliance Manager, Baillie Gifford; Vice-Chair, EFAMA's ESG & Stewardship Standing Committee

**Catherine Howarth**, Chief Executive, Shareaction

**Kimberley Lewis**, Head of Active Ownership, Schroders

**Michael Herskovich**, Global Head of Stewardship, Sustainability Centre, BNPP AM

**Max Horster**, Head of ESG, ISS

12.45 Close of conference & networking lunch
