Product Opportunities

As well as the main Sponsorship Packages, there are also a range of product based branding opportunities available with Forum Europe. These have been chosen specifically for their ease of production and value beyond the event itself. The list below is by no means exhaustive and our marketing team will be happy to work with you to create innovative sponsorship packages tailored to the needs of you and your company.

Sponsored Lanyards

€1250 + VAT + cost of production

Lanyards are distributed to all delegates on arrival at the conference, ensuring high visibility of your brand throughout the event.

Data Sticks

€1250 + VAT + cost of production

In addition to providing a high value branded product to delegates beyond the event, conference proceedings can be loaded onto the sticks prior to the event and distributed to delegates on arrival.

Conference Pens and Pads

€1250 + VAT + cost of production

Distributed to all attendees upon arrival, branded pens and pads again offer visibility to you and value to the delegate both during and beyond the event.

Insert in Delegate Packs

Product or promotional materials can be included within the delegate packs distributed to each participant upon arrival. A high value option providing detailed company information to all delegates.

Product Opportunities

Conference Badges

€1200 + VAT

All delegates are required to wear their personalised conference badge (attached to the lanyard) on arrival at the venue. Have your company logo on all delegate badges (position as design allows) and remind delegates of your company's input into the conference.

Conference Proceedings

€1245 + VAT

All delegates receive the conference proceedings on high quality CDs, printed with your company's logo and a short advert (either text/PDF or moving image, in which case size must be agreed beforehand).

These are made available, if possible, before the event. However it is best practice to deliver them after the event to all delegates to ensure all the presentations that are available are loaded to the CDs.

These CDs, in addition to being distributed to all delegates as part of the conference package, will also be made available for purchase to non-attendees post event.

This high value option reaches all delegates and is the most valued information and reference point beyond the event itself, this option is only available to selected organisations and it is recommended that you contact Dan Craft to discuss this high value, high exposure option.

> The options contained within are negotiable and are listed only as a guide. We look to cater for your individual requirements on a per event basis.

If you wish to discuss any of the information found in this document, please do not hesitate to contact Dan Craft.

We look forward to discussing the positive and high value promotion of your organisation.
